BANGOR, ME 04402  
Peter Starr, Grand Knight

July 31, 2021

Dear Friend,

It is that time of year when the Knights of Columbus of the Pine Cone Council #114 is busily planning our 25th annual Benefit Golf Tournament. Now is your chance to sponsor a hole in our tournament being held Saturday, September 11, 2021 at the Hermon Meadow Golf Course.

H.O. Bouchard Inc. will be our major sponsor again this year. We are hoping for your support in raising funds for Seminarians of the Diocese of Portland. Last year, we were able to exceed our goal of \$10,000. In total, we have donated over \$80,000.00 in scholarships to Seminarians studying to become Priests.

In becoming a sponsor, for \$200.00 your company will be a bronze sponsor, for \$300.00 your company can be a silver sponsor, and for \$500.00, your company will be a Gold Sponsor. For being a sponsor, your company logo and name will appear on a sign on the course for bronze, two signs for silver, and three signs for Gold. In addition to the advertisement(s) at the hole, your support will be acknowledged in a program at the tournament.

More importantly, your sponsorship will help the Knight of Columbus in Bangor continue to donate money to needy Seminarians, some of which come from the greater Bangor area, reach their goal of becoming Priests. The Pine Cone Council was one of the first councils in the State to adopt a Seminarian and has been presented three awards from the State Council for our efforts. Once again, we are hoping to lead all councils in the State in this worthwhile cause.

The success of the tournament would not be possible without the support and generosity of our many caring sponsors. We wish to thank you for your support in the past and are looking forward to hearing from you. We hope your company will consider entering a team in our tournament and enjoy this event with us.

Sincerely yours,

Mathew Madore  
Tournament Committee
